Press Release

FOR IMMEDIATE RELEASE

HICAPS receives HUB certification from the North Carolina Office for Historically Underutilized Businesses (HUB Office).

GREENSBORO, NC – MARCH 15, 2011 – HICAPS, INC. (www.hicaps.com) has been certified as a North Carolina HUB firm with the Statewide Uniform Certification (SWUC) Program. The purpose of the HUB program is to promote economic opportunities for historically underutilized businesses in state government contracting and procurement that will foster their growth and profitability.

“HICAPS is extremely pleased and proud to announce this certification in our home state of North Carolina. As a 25 year member of the Greensboro business community, HICAPS has strived to provide exceptional services to our customers and a stable work environment for our employees. This certification will assist us in widening our horizons,” HICAPS CEO, Dan Hood, stated. Peyton Fairbank, HICAPS Vice President, added, “We are excited to be a member of the HUB certified business community and we look forward to establishing strategic and mutually beneficial business relationships with companies that share our business ethics of offering the best solution at the best possible value.”

“Programs such as the North Carolina HUB program assist small businesses by offering set-aside opportunities and resources. These programs are extremely helpful in aiding small businesses to grow and prosper in their home states and will provide a value-add to our customers by giving them the option of utilizing

experienced and locally established small businesses. This certification is a building block in our strategic plan of growth at HICAPS.” Tammy L. Hanson, HICAPS Director of Sales and Marketing, further added.

About HICAPS

HICAPS Inc., (www.hicaps.com), is a multi-faceted Services and Construction Management firm specializing in Construction Management, Telecommunications solutions for Public Safety and Building Diagnostics. We have a long history of delivering professional services to clients across the country, for over 25 years. Our comprehensive and diverse suite of services includes project management, management consulting, engineering, design-build general construction, construction management and building diagnostics services.

Established in 1984, HICAPS meets the emerging needs and challenges in the marketplace with innovation and expertise. We strive to exceed expectations by listening intently to our customers’ needs; understanding project demands; and delivering innovative solutions to government and private clients-nationwide. Since inception, HICAPS has successfully completed hundreds of projects for Educational Institutions, Private Owners, Developers, Investors, Architects, Engineers, Contractors, Hospitals, Federal, State & Municipal Governments, and Manufacturers.

HICAPS is proudly certified as a Service Disabled Veteran Owned Small Business (SDVOSB).
